

Honky Tonky Donkey

A Heart-Warming Nativity Musical

SCRIPT SAMPLE - SCENE TWO

After the song, all villagers re-join the choir.

Narrator 3 Honky Tonky Donkey was very pleased to have company on his way to Bethlehem. But he still did not know that Mary and her husband Joseph were very special people indeed.

Narrator 4 So off they went. Through the hills, across the valleys and through the desert. It was a long, hard journey.

Narrator 5 Mary was getting very tired and she knew that the baby would be coming soon, but where could they stop and rest?

Narrator 6 Honky Tonky Donkey could see some shepherds in the distance. They had a lovely big fire. He was sure that the shepherds would let them share it.

They start to walk to the shepherds.

Shepherd 1 What's that noise?

Shepherd 2 A donkey.

Shepherd 3 A donkey! Out here at this time of night?

HT Donkey Howdy shepherds, can we join you?

Shepherd 4 A talking donkey!

Shepherd 5 Come and sit by the fire. You're welcome to join us.

Narrator 1 Honky Tonky Donkey introduced himself and Mary and Joseph and they thanked the shepherds as they sat down by the cosy fire.

Joseph Are the wolves out tonight?

Shepherd 6 Not if we keep the fire going and make lots of noise.

Joseph What sort of noise?

Shepherd 7 Singing mainly.

HT Donkey (*animated*) Great idea! A campfire singsong eee aaaaaaalways
cheers everyone up!

As the music starts HT Donkey pretends to play his banjo/guitar.

KEEP THE FIRE GOING

**Keep the fire going, keep the fire going,
Stoke it up, stoke it up, keep the fire going.
And sing loud, sing loud, sing a shepherd song.
Sing loud, sing loud, sing a shepherd song.**

**Keep the fire going, keep the fire going,
Stoke it up, stoke it up, keep the fire going.
We're happy shepherds on a winter's night.
Happy shepherds on a winter's night.**

**Keep the fire going, keep the fire going,
Stoke it up, stoke it up, keep the fire going.
For we love sitting underneath the stars.
We love sitting underneath the stars.**

**Keep the fire going, keep the fire going,
Stoke it up, stoke it up, keep the fire going.**
