

Clean, Sustainable, and Quality-Driven Products

BodyMed® Formulations offer high-quality formulas developed with clean, efficacious ingredients. Our simple, yet effective skincare products go beyond function and feel—providing nourishing benefits for all skin types. Enjoy a soothing, hydrating experience from powerful ingredients like organic Jojoba, Boswellia, and Vitamin E.

The BodyMed® Formulations Difference

Fragrance Free

Paraben Free

Nut Free

Gluten Free

Formaldehyde Free

Key Ingredients

Aloe Vera

Moisturizes the skin while lightening dark spots and soothing irritation.

Organic Jojoba

Ideal for conditioning and softening the skin, scalp, and hair.

Vitamin E

Powerful antioxidant that nourishes the skin and protects from free radicals.

Arnica Extract

Soothes soreness and helps to reduce inflammation.

Boswellia

Features anti-inflammatory properties that may help the skin appear smoother.

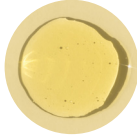

Cocoa Butter

Hydrates the skin and creates a protective barrier.

Our Products

Ideal for all types of clinical massage—from Swedish and deep tissue to Shiatsu and reflexology.

Massage Oil

Melt away tension with this vitamin-rich massage oil. Vitamins A, C, D, and E; Arnica Extract; and Jojoba leave the skin feeling soft, smooth, and nourished.
