**ZipDoor™ for standard doorways
Item #?**

The new ZipDoor™ is a great way to create a dust barrier when all you need to seal is the doorway. One person can install it in under a minute.

You'll save hours on jobs with lots of doors like commercial office space, hotels, hospitals, and more. The savings can really add up.

It's also great for residential jobs like kitchen and bath remodeling, or where renovation will disturb lead paint. The EPA's new RRP rule requires a covered doorway when working in a home with

lead paint... and the ZipDoor™ makes it easy.
