### UPDATES REGARDING COVID-19

As identified by the US Department of Homeland Security, **NATALE MACHINE & TOOL CO.** remains **OPEN** as a critical manufacturing business necessary for emergency services within the Essential Critical Infrastructure Workforce.

#### **CIRCLE D LIGHTS PRODUCTS:**

In keeping with current COVID-19 sanitizing guidelines, as well as our commitment for dependability, responsiveness and safety to our customers and staff, we are continuing to manufacture our **Circle D Lights** products at our **Carlstadt, New Jersey** plant, including, but not limited to our **POWERBOX Junction box**, as well as **flood, spot, and high bay lighting**.

Please feel free to call our office for any product questions or for the name of a dealer near you.

#### **STREAMLIGHT AND OTHER MANUFACTURER ITEMS:**

Our web store at [store.CircleDLights.com](http://store.CircleDLights.com) is open **24/7** for purchasing other portable lighting products, including, but not limited to **Streamlight** scene lighting, flashlights, and lanterns. Phone orders are additionally accepted (see above). All products will be packaged and shipped as soon as possible, in accordance with current, COVID-19 governmental safety precautions, not only followed by our employees, but also by the manufacturers, UPS and USPS delivery services, as recently reported.

#### **PLEASE NOTE:**

Unfortunately, our walk-in services are **NOT** available at this time; however, **Streamlight** repair items can either be mailed directly to them or brought to us once our doors reopen to the public.

***THANK YOU TO OUR LOYAL CUSTOMERS AND ALL OTHERS IN THE WORK-FORCE SELFLESSLY SERVING US EACH DAY!***

**STAY SAFE AND BE WELL!**
