UPDATES REGARDING COVID-19

CIRCLE D LIGHTS PRODUCTS:

In keeping with current COVID-19 sanitizing guidelines, as well as our commitment for dependability, responsiveness and safety to our customers and staff, we continue to manufacture our **Circle D Lights** products at our **Carlstadt, New Jersey** plant, including, but not limited to our **POWERBOX Junction box**, as well as **flood, spot, and high bay lighting**. Please feel free to call our office for any product questions or for the name of a dealer near you.

STREAMLIGHT AND OTHER MANUFACTURER ITEMS:

Our web store at www.CircleDLights.com is open **24/7** for purchasing other portable lighting products, including, but not limited to **STREAMLIGHT** scene lighting, flashlights, and lanterns. Phone orders are additionally accepted (see above). All products will be packaged and shipped as soon as possible, in accordance with current, COVID-19 governmental safety precautions, not only followed by our employees, but also by the manufacturers, UPS and USPS delivery services, as respectively confirmed.

WALK-IN SERVICES:

We are open to the public from 8:00 AM to 3:30 PM EST for **STREAMLIGHT** sales and repair services, as well as **Circle D Lights** assistance.

THANK YOU TO OUR LOYAL CUSTOMERS AND ALL OTHERS IN THE WORKFORCE WHO HAVE BEEN SELFLESSLY SERVING US EACH DAY!

STAY SAFE AND BE WELL!

The Natale Machine & Tool /Circle D Lights Family
