**REPAIR EQUIPMENT**

Apexx Medical Equipment, LLC is an innovated company revolutionizing the way doctors and physicians purchase medical equipment. Our mission is to establish strong working relationships with all customers by providing unheard of customer service, competitive sale prices and quality medical equipment repairs.

Apexx Medical Equipment understands the importance of customer service and relationship building; just making a sale is not our goal, establishing a relationship is. We pride ourselves in offering competitive prices on all New and Pre-Owned equipment as well as repairs, services and preventative maintenance by highly experienced medical technicians. In addition to sales and repairs, Apexx Medical Equipment purchases your excess medical equipment.

Shop with confidence online, via phone or in person with one of our representatives. Apexx Medical Equipment assures a pleasant shopping experience, quality medical equipment, efficient service and competitive prices. Please call us for all of your medical equipment needs.
