

good wipes.

2019
JOIN THE TEAM

This is **who we are.**

...

Goodwipes is a progressive and eco-friendly take on disposable wipes, supporting the the on-the-go lifestyles of today's busy and active consumers!

We do what we do for one simple reason... to inspire others to Do More, Feel Good, and Live Clean! Life is about experiences, and, if you ask us, the more the merrier! :)

We're bullish on BRAND & believe that creative is the variable.

Say goodbye to uncomfortable bathroom talk. Goodwipes is building a brand world that puts the consumer first. By doing this, we are breaking through previously taboo hygiene topics and building a culture and a community around what was once considered an 'embarrassing' commodity.

Our energy, authenticity & cheekiness allow us to delight our consumers at every touch-point (& every nook and cranny) throughout their brand experience, all while having fun and doing GOOD!

vibes.

...

The goodwipes scoop.

We are hustlers who share in each other's success, are constantly collaborating and always strive to exceed the expectations of everyone we work with.

We work hard and we goof hard, too. You'll love our entrepreneurial spirit and awesome workplace culture.

If this sounds right for you, keep movin' & groovin' and be sure to apply! If this isn't exactly your thing, but you know someone who might be the right fit, please spread the good word and send them our way!

core values.

...

that good, good stuff.

Curiosity - A mind is like a parachute. it doesn't work if it doesn't open.

Empowerment - We rise by lifting others.

Doing - Hard work works.

Empathy - Find yourself in everyone. Turn judgement & criticism into empathy & grace.

Friends - Turn every relationship into a friendship.

Positivity - Good vibes only. Positivity is contagious. Never underestimate your wake.

Integrity in Communication - Always value your own opinion and the opinion of others. Listen to understand, not to reply.

you should prob

join the team.

...

Are you enthusiastic about content creation and building both online and real-world communities?

Are you constantly looking to capture moments, create unique & inspiring art, push boundaries, make people laugh and craft connections amidst the world around you?

Do you love exploring social channels? Always looking for new, exciting and inspirational accounts and brands?

Are you driven and organized? A serious go-getter who is comfortable working both on their own and collaboratively within teams? A problem-solver who appreciates a challenge?

Are you interested in joining a small, passionate and energetic team in helping to build and maintain a killer brand-world??

We want to talk? Check out the open positions to follow!

application.

...

this is how we do it.

res-uh-maybe - resume, portfolio, projects - anything you think is relevant and shows us who you are and what you're all about. We'd love to see any or all of these!

talk to us - let us know a bit about yourself and why you're interested in the position and joining the team!

we like fun or random tid bits, so no need to be too formal or structured here. You do you.

**This can be delivered in written form, or, better yet, via a short video (on your phone, nothing crazy!)
