## CRESTWOOD FIRECLAY SINK 1-YEAR LIMITED WARRANTY

Domain Industries, Inc. offers a 1-YEAR LIMITED WARRANTY on Crestwood Fireclay Sinks to be free of manufacturing defects under normal use.

### LIMITED WARRANTY:

This limited lifetime warranty is extended to the original purchaser of this sink. Domain Industries, Inc. (hereafter "DMI") will repair or replace, at no charge, excluding transportation and labor, any Crestwood Fireclay Sink supplied by DMI that is proven to have a manufacturing defect within the specified period from date of purchase, to the original purchaser, provided it has been used solely in a residential application and installed correctly. An equivalent replacement will be issued to the original owner provided the defective sink was installed in accordance with the installation procedures, used and cleaned as recommended, and not damaged due to abuse, misuse, or negligence.

Chips, scratches, and stains are not deemed to be manufacturing defects. DMI will not be held liable for chips, scratches, and stains that can occur under normal use over a period of time. Please refer to the cleaning instructions to maintain your sink. DMI shall not be held liable under this warranty where the sink has been used in a non-residential application, improperly installed, or damaged caused by an object being dropped on or impacting the sink or from improper handling.

DMI shall not be liable for any inconvenience or expense for material or labor related to the removal or replacement of a defective sink or for any loss or damage to any person or property whatsoever resulting from the defective sink. All transportation costs to and from the point of purchase will be the responsibility of the purchaser. Any sink returned must be in the original packaging and include all the accompanying accessories, parts, and documentation. The manufacturer reserves the right to inspect and/or request digital pictures of any sink reported to be defective prior to replacement of the sink.
