

A MODERN CHARLOTTE MASON'S

Gift Guide

NATURE STUDY

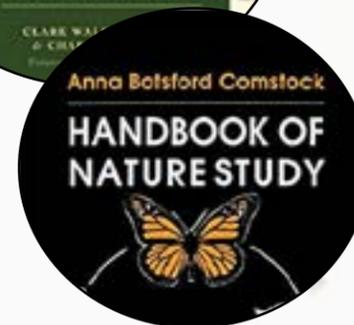

SKETCHBOOK AND WATERCOLORS

Consider choosing a nature study notebook that has thick paper; doing so allows you to have the option to paint or use other media within the same notebook. This travel watercolor kit has gorgeous colors and brushes that come pre-filled with water for no mess application. It also includes sponges and a palette for color mixing. \$29.50

OUTDOOR OBSERVATION KIT

Everything you need for observation in one easy kit! This kit includes a compass, binoculars, magnifying glass and light. It's durable and sturdy and has great reviews! Best for ages 3+. It's also a great price point at only \$24.99.

NATURE STUDY

STAINLESS STEEL FOOD JARS

Pack a picnic and plan to stay awhile as you venture out for your nature study. These BPA free stainless steel food jars keep your food hot or cold. Bonus-the lid doubles as a bowl! Prices range from \$11-30+

KEEPING A NATURE JOURNAL (BOOK)

This book is a fantastic resource as you begin to keep a nature journal. It offers tips and tricks as well as gorgeous illustrations! Find it as low as \$3 on Amazon (used) or new for \$13.

HANDICRAFTS AND GAMES

EMBROIDERY KIT

This kit offers everything you need to get started with embroidery for less than \$20. Hoops, thread and more are all included!

WHITTLING SUPPLIES

Do you have young kiddos that want to learn a new skill? These carving tools are perfect for beginners! These can be used on soap, wax, wood and even fruits and vegetables. This set of 12 wood + wax carving kit is only \$19.99

BACKYARD BIRDS DOMINOS

This unique domino set features gorgeous illustrations of common backyard birds. These are made in the USA and perfect for kids aged 3-8 years old. \$25

DECOR

HANDMADE CHARRED WOODEN TEALIGHT HOLDER OR WOODEN CANDLE HOLDER (SET OF 3)

These wooden candle holders are lovely as simple decor on your kitchen table or can be brought out at tea time. You can find unfinished options for as less than \$10, or these beauties ranging from \$24-35.

CAVALLINI POSTERS

With a variety of specimens to study, these Cavallini posters are perfect for framing! Find a 20x28" poster set of 6 for less than \$30. Other Cavallini posters include the Periodic Table of the Elements, Human Body, Astronomy and more!
