

Hot Merchandisers

MDD Hot - Multi Deck Display

Fri-Jado has developed a new range of its famous self-serve merchandisers for hot and packaged grab-and-go food products. With new and improved hot air recirculation per shelf we have extended the product shelf life and significantly decreased energy consumption.

- Transparent design: Food = hero!
- Larger total display area: more products, same footprint
- Temperature settings per shelf
- Long shelf life: patented Hot Blanket holding technology
- Ultra-thin shelves: unobstructed view of food products
- Saves energy: up to 50% less energy consumption compared to the competition
- Models:
 - 3, 4, or 5 levels
 - 24, 36, or 48 inches wide
 - Solid back or pass-through
