

Chop Suey Range

Our ranges also has a practical and logical construction. Starting with our no weld wok openings, each on is machine extruded to eliminate cracks to reduce maintenance and allows for optimal performance. Every range is equipped with a waterfall that cools down the cooking surface with a front draining system.

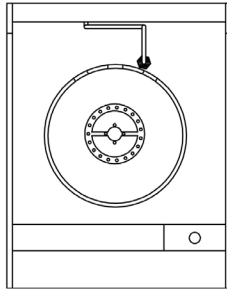

FEATURES

- Stainless steel front, top, backsplash and legs.
- Machine extruded wok opening neck for leak free top.
- Welded faucet connector for easy faucet change without hiring a professional plumber.
- Pull out garbage tray for easy cleaning.
- Easy removable front cover for servicing and maintenance.
- Custom range widths, allow ranges to fit in existing or unique kitchen conditions.
- Custom wok opening sizes to suit chef's cooking preferences.
- Slanted fire chamber for 13 1/2" and 16" wok openings.
