

# Double output on a single spot

Space Saver

Space Saver with TDR5 P

The Fri-Jado Space Saver is a prime example of effective use of floor space. By combining a TDR 5 or TG4 rotisserie and a Self-Serve grab-and-go merchandiser, you save valuable floor space.

The rotisserie's appetizing chicken theatre will whet the appetite of any customer. The fact that customers can take the products themselves will lower buyer thresholds even more. Double output on a single spot. Success guaranteed!
