

Noodle Boiler Range

The Noodle Boiler range is perfect for the multi-serving high paced Ramen restaurants! With 6 openings for the noodle baskets, and a water tank large enough for continuous boil your cooking line will never slow down.

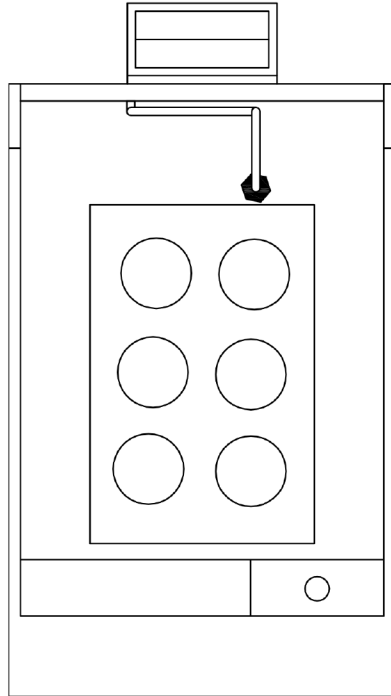

FEATURES

- Removable stainless steel 6 hole plate.
- Rectangle insulated fire chamber.
- Fuel exhaust included.
- Stainless steel front, top, backsplash and legs.
- Machine extruded wok opening neck for leak free top.
- Welded faucet connector for easy faucet change without hiring a professional plumber.
- Pull out garbage tray for easy cleaning.
- Easy removable front cover for servicing and maintenance.
