HISTORIC VOLANO MANUAL SLICER

This classic style, circa 1919, volano slicer was designed by reaching a perfect balance between style, craftsmanship, passion, and cutting edge manufacturing techniques. The vintage look offers a sense of tradition with a touch of modern technology.

The classic volano slicer features a **removable stainless steel cover tray, comb pusher** and **receiving tray** which makes washing and sanitizing easy. The wide space between the blade and the slicer body provides easy access when cleaning.

The slicer comes with has a shiftable **360° blade guard**, covering the entire blade, designed for **safety** while not compromising performance. The machine is equipped with a professional **heavy-duty sharpener**, which ensures the blade stays sharp on every use.

Stainless steel comb pusher for durability

360° blade guard for safety

Removable stainless steel slice receiving tray for total hygiene
