MODEL MXE2000

IT'S ABOUT TIME!

INTRODUCING the MXE2000 Waring® Ellipse™ Commercial Blender, the ultimate solution for the commercial food service industry. With lightning-fast blending times, you can whip up a delicious smoothie in just 5 to 10 seconds or a frozen acai bowl in only 15 seconds. This means you'll be able to serve more customers in less time, resulting in increased profits and happier customers.

The Waring® Ellipse™ Commercial Blender boasts patented technology that will transform the way you serve your customers. It is the latest innovation from Waring, which revolutionized blending technology over 80 years ago with the introduction in 1937 of the first blender.
