

## Stainless Steel Food Dehydrator

Item: 47042  
43222

Model: CE-CN-0016-D  
CE-CN-0010-D

#47042 - 16 Racks

### Excellent solution to retain flavours of your food

Effectively dehydrate all kinds of fruits, vegetables, flowers, herbs, bread slices, dried meat and fish for improving flavor and extending storage time.

### FEATURES

- Durable and stainless steel body construction
- Strong air convection ensures fast moisture evaporation
- High capacity and easy cleaning food-grade removal trays
- User-friendly design with simple operation
- Built-in safety overheating protection
- Removable door makes it easy to add and remove trays
- The convenient 12 hour timer ensures that each batch has the perfect amount of drying time.
- Adjustable Temperature 86-167°F control allows drying a wide variety of foods.

#43222 - 10 Racks

# 10 Racks Food Dehydrator

Item: 43222

## TECHNICAL DRAWING & DIMENSIONS

### Stainless steel construction

It is designed to handle the demands of a commercial kitchen or shop environment, and to match your other commercial equipment.

### Removable Door

The vented stainless steel door makes it easy to lift the door off its frame for accessing the interior of the cabinet.

### Stainless steel trays

High quality food-grade material that can withstand frequent washing, resist rust, and ensures durability and hygiene.

### User-friendly design

Adjustable timer and temperature controls for easy and simple operation.
