E157, E257 GRAVITY-FED FROZEN BEVERAGE DISPENSERS

E157A
F157A

DESCRIPTION

Compact counter-top model and floor model gravity-fed freezers feature a large 10-gallon (37.9-liter) capacity for high-volume dispensing. These freezers are designed to operate with most neutral bases and concentrated flavors. Ideal for convenience stores, schools, delis, restaurants, cafeterias, and recreational facilities.

Every machine includes Stoelting's White Glove Service. One call does it all – customer service, technical service, parts or warranty information, installation, startup, sales, on-site service dispatch and much more. Available 24 hours a day, seven days a week year-round.

ITEMS

- E157-37A** Air cooled, single phase, countertop
- E257-37A** Air cooled, single phase, floor model

ACCESSORIES & OPTIONS

- 1172794** Bottle Rack Kit - Includes 6 Plastic Bottles and Pumps

FEATURES

- Fully automatic controls provide a uniform product
- Bottle racks with plastic bottles and pumps are included.
- Simplified design for quick assembly after cleaning.
- Vertically oriented freezing cylinder provides high capacity and maximum energy efficiency.

Continuous research leads to ongoing product improvements; therefore, these specifications are subject to change without notice and should not be used as installation specifications.
