**PROMPT 2: REFUSE
ZERO WASTE LUNCH
CHALLENGE
RESOURCE PACK**

Instructions

1) Get everyone involved. Notify the cook if you have a centre cook and ask them to monitor the portions being provided to the room. If children bring in their lunches, have a chat with families about Zero Waste Lunches.

2) Create a solution. For extra food, does the service have a compost bin so it isn't wasted? Consider setting one up to assist with Zero Waste Lunches (see Prompt 1: Reduce - Food Waste Detective).

Extension Ideas

Make a permanent change

Keep your compost bin and make it a part of your centre's Sustainability Plan.

Don't forget to record all your learning in your Our Sustainable Year Wall Calendar.
