Reservations CANNOT be held without a deposit.

A driver's license and credit card are required for ALL rentals for security purposes.

Rentals that consist of more than two pieces of equipment MUST be booked 24 hours in advance.

All equipment is tested and inspected prior to being rented out. An inspection is required upon returning the rental. Any equipment damage will be evaluated at the time of the rental return. If rental insurance has not been purchased, equipment damage will be assessed and billed to the credit card on file. Cables returned in a disorganized fashion will result in an additional service charge. In order to maximize the efficiency of our rental reservation system, equipment must be returned on the date specified on the rental agreement. Equipment returned after the date specified will result in the accumulation of daily late charges.
