

A rustic wooden pool table with a green felt top and dark wood frame is the central focus. It features thick, hand-hammered wooden legs and metal turnbuckle stretchers. The table is set in a modern living room with a brick fireplace, a staircase, and a contemporary sofa. A cowhide rug is placed under the table. A semi-transparent dark box with the word "CANTON" in white serif font is overlaid on the top part of the table.

Nothing says “rack ‘em up” like the rustic-meets-industrial charm of our Canton pool table. With its artful hand-hammered sights and aged metal turnbuckle stretchers, corners, and hardware, this billiard table is the perfect marriage of proud craftsmanship and industrial design.
