WHAT IS THE DAISY TRUST?

The funds raised by The Daisy Trust are given as grants to local charities and voluntary organisations serving the London Borough of Hammersmith and Fulham. Since 2010 The Daisy Trust has given over £340,000 to 119 local organisations within the Borough.

The Daisy Trust is run entirely by volunteers. Through generous sponsorship and donations from local businesses, our fundraising costs are minimal so that all monies raised can be distributed to the community.
