No more playing blame games of who lost that and where is what. No more frantic hunting for things. No more being disorganised.

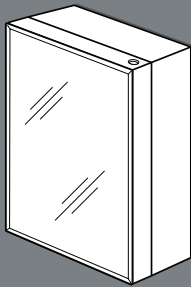

Introducing VanitiBox. Beautifully and ergonomically designed mirror-finish cabinets that help you neatly store, organise and hide away your day-to-day toiletries and personal care items. Bring home VanitiBox. Bring home peace of mind.

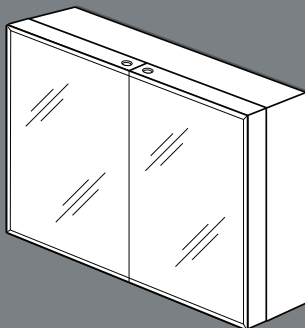

VanitiBox is available in two distinct variants—Premium and Standard. VanitiBox Premium comes in SS304 stainless steel mirror polish finish and brushed finish. VanitiBox Standard is made from powder coated mild steel. Both variants come in multiple choices based on make, model and size.

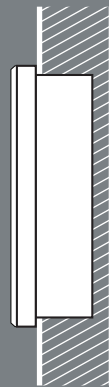

Designed to suit the specific needs of Men, Women, Families and Couples, VanitiBox variants offer you the option to either install them in-the-wall (*recessed*) or fix them on-the-wall (*surface mount*).

## VanitiBox WOMEN

Rather than losing your mind looking for your favorite lipstick in your ever-so-mysterious handbag, make your getting-ready ritual peaceful and therapeutic. Choose VanitiBox, and you'll finally realize it actually doesn't take that long to dress up.

Women getting ready in minutes—*now possible.*

## VanitiBox MEN

Want to gift the woman in your life some comfort? Stop depending on her to find your stuff. Choose from a range of Men's bathroom cabinets, specifically designed to store male grooming essentials like shaving kits, trimmer, razors, scissors, deodorants etc.

Organised men—*not a dream anymore.*

## VanitiBox FAMILY

The charming thing about families is that all its members are unique, and yet highly well knit. Each one of you might have different preferences when it comes to your beauty/hair care/skincare regime, but all that can now be neatly organised in one mirror cabinet. With deep and several-sized tiered shelving, VanitiBox Family cabinets integrate seamlessly into any bath or powder room.

## VanitiBox DUO

Whether or not you give each other space in your relationship, you'll now have ample space for each of your toiletries. With real life insights and inputs from various men and women, we have designed unique double door VanitiBox cabinets that have designated sections for both—delicate make-up items and macho grooming products.

Inside the right-hand-side door, you'll find space for men's personal care products like shaving sets, toothbrushes, trimmer and razors. On the left side, you'll find dedicated shelves and sections to fit women's make-up and skin care products like nail polishes, lipsticks, make-up brushes etc.

## Here's why VanitiBox should move in with you today:
