

New at Wolf X-Ray

Fold-Down Wall Desk

The new Wolf Fold-Down Wall Desk is the perfect solution for limited office space. The desk gets mounted to the wall. When folded up, it looks like a compact, shallow cabinet. Pull the front panel down and you have a sturdy work area with a handy pocket for holding patient records and files. When not in use, just fold it up and out of the way!

Wolf Fold Down Wall Desk **#21608**

20" wide x 16 1/2" tall x 3 3/8" deep, 50lbs. max capacity
