

SPRAY AND FIX Aerosol Adhesives

202 SPRAY AND FIX

Temporary adhesive for paper patterns. Eliminates pinning. Dries in 5 minutes so patterns can be stored for future use. Warm iron reactivates glue for the next use. If repositioning, iron to hold pattern in place a second time. Does not gum needles or scissors.

Make your own temporary fusible projects. Great for applique, dress and fashion patterns.

Acid Free – No CFCs
Item number: SF202,
Net Wt. (6 oz.)

Permanent Craft Adhesive
Colorless, Low Odor,
Use for Scrapbook/Memory Book.

- Photographs • Paper/Cardboard
- Crafts • Styrofoam • Plastic • Fabric • Polystyrene

303 SPRAY AND FIX

Clean over spray with our DK5 cleaner.
Acid Free – No CFCs
Item number: SF303,
Net Wt. (5.96 oz.)

404 SPRAY AND FIX

Permanent and repositionable craft adhesive – sticks anywhere in any combination: paper, leather, plastic, wood, metal. No residue or transfer. Reposition over and over. Use on machine quilting patterns, stencil patterns, home décor projects, crafts and artwork.

Acid Free – No CFCs
Item number: SF404, Net Wt. (6.15 oz.)

505 SPRAY AND FIX

Temporary, repositionable, fabric adhesive used to temporarily bond fabric. Odorless, colorless, no mist, does not gum sewing needles. Use for machine applique, quilting, basting, holding fabric to stabilizers in machine embroidery and hemming.

Acid Free – No CFCs
Item number: SF505, Net Wt. (5.6 oz.)
SF515, Net Wt. (10.93 oz.)

606 SPRAY AND FIX

Spray-on Fusible Web. No-sew Permanent Bond. Machine Wash and Dry. To create a fusible fabric or stabilizer, spray 606 on back of fabric/stabilizer. Allow to dry. Place fabric or stabilizer, glue-side down, against the other fabric. Use an iron on high heat to activate 606 for a permanent bond.

Acid Free – No CFCs
Item number: SF606, Net Wt. (6.5 oz.)

NEW!

Cleaning Agent

Fabric Protection

DK5

For clean-up of overspray when using our Spray and Fix Adhesive Sprays – 202, 303, 404, 505 and 606. Do not use on fabric surface. Cleans hoops, needles, frames, table tops, quilting frames and stencils. Also use on plastic, metal, glass, stone and ceramic surfaces.

No CFCs
Item number: DK530, Net Wt. (6.9 oz.)

A simple application of FABRIC SHIELD fabric protector helps protect against sun fading (UV rays), spills, dust and dirt. Does not stiffen or discolor fabric. An even application protects all types of fabric. Washing or dry cleaning removes protection. Use on quilts, clothing, neckties, embroidery, cross stitch, drapes, upholstery and plush toys.

Acid Free – No CFCs
Item number: FS135, Net Wt. (6.24 oz.)
