The word kinesis is from the Greek and means motion. Our product line is designed for shooters on the move — editorial, location, outdoor/nature photographers and photojournalists. *Prices* subject to change. Current prices are found on our website. 30-day money-back policy. Heavy-duty YKK® or imported self-healing coil zippers are used Most case exteriors use 500-deneir DuPont Cordura® fabric. A few use 400D Nylon Pack cloth. Cross-linked, closed-cell foam is utilized. L = volume of bag in liters Warranty Kinesis warrants its products against defects in materials and workmanship for two years. This warranty does not cover damage caused by negligence or improper care. Upon return, if found to be defective, we will repair or replace it at our option. Built for People on the Move, CameraCushion, KATS, PolyCore™, QuickClose, SafariSack, USA Designed & Built logo and TwinBuckle are trademarks of Kinesis Photo Gear. Cordura®, Delrin®, Lexan®, All specifications listed are I.D. (inside Mini-mag<sup>®</sup>, Polaroid<sup>®</sup>, Velcro<sup>®</sup> & YKK<sup>®</sup> are all registered dimensions).
