### INSTALLATION INSTRUCTIONS:

(Please read all instructions thoroughly before starting to install)

1. Verify that all of the contents are present, then start by determining the location you would like the Noodle Holds to be installed.
2. Attach the Noodle Holds to the climbing wall using the anchor bolts and the Allen wrench. (Similar to installation of Groperz™ Hand Holds.) Screw until the unit is tight but do not over-tighten!
3. Create your challenge course by attaching the noodles into the holes of the Noodle Holds.
4. Assess students as they climb through and around the obstacles and modify as needed for level of difficulty.

**WARNING**

THE PROPER CARE AND ONGOING MAINTENANCE OF YOUR CLIMBING WALL IS ESSENTIAL AND IS YOUR RESPONSIBILITY. PLEASE REFER TO THE SAFETY, CARE AND MAINTENANCE INSTRUCTIONS.
