

FR FLAME RESISTANT

2-PIECE FLIGHT SUIT – MILITARY

APPROVED BY AFSOC

Years in the making, we designed our innovative 2-Piece Flight Suit for the Air Force from direct user feedback across multiple branches and multiple platforms. Taking the next step, our team set out to enhance the capabilities of the modern aviator and aircrewman with original design features unique to our garments. Our goal is to build all our gear with the high-end features of the best in outdoor clothing. Our innovative flight suits will forever change the way you feel about piloting or working aircrew. For superior performance and strength, we utilized Sigma 4 Star™ fabric powered by DuPont™ Nomex® and DuPont™ Kevlar®. We loaded our suit with innovative features because you deserve the best.

OVERALL FEATURES:

- A revolutionary patented connection system that joins the jacket & pant (U.S. Patent 9,015,864)
- Ripstop fabric for durability and comfort

THE JACKET:
