

FR FLAME RESISTANT

2-PIECE FLIGHT SUIT – NAVAIR

APPROVED BY NAVAIR

Years of research and a resolute commitment toward excellence led us to develop our innovative 2-Piece Flight Suit-NAVAIR from direct user feedback across multiple branches and multiple platforms. Our team wanted to enhance the capabilities of the modern aviator and aircrewman with design features unique to our garments. We built an original patented attachment system that allows flexibility and movement between the jacket and pant while still aiding coverage in flash events. Our 2-Piece Flight Suit-NAVAIR is one hundred percent manufactured in the U.S., making it Berry Compliant. Along with proper seam placement, donning & doffing zippers, durable nylon ripstop fabric, and a modern athletic fit—we've left nothing unturned in designing your next flight suit. Now approved by NAVAIR for use within the U.S. Navy and U.S. Marine Corps.

OVERALL FEATURES:

- A revolutionary patented connection system that joins the jacket & pant (U.S. Patent 9,015,864)
- Ripstop fabric for durability and comfort
- Mesh-lined pockets for outstanding heat mitigation
- Outstanding color fastness

THE JACKET:

- Hook & loop closure on the wrists for better fit-control
- Two upper arm and two chest pockets
- Strategic seam placement for an athletic fit

THE PANT:

- Massif Dual-Entry™ pockets for ease of entry, whether standing or sitting
- Lower leg extended zippers for easy donning and doffing
- Gusseted crotch for ultimate field performance
- Heavy duty web-backed knife pocket

COLORS: Sage Green, NAVAIR Tan
