

# ALLOY-X™

## Super bright dual-fuel pocket pen light.

Alloy-X is a sleek, compact, dual-fuel Micro-USB rechargeable pen light with 2 AAA Alkaline backup option. Alloy-X is equipped with a powerful 400 lumen SAMSUNG LH351D LED. The LED utilizes high color rendering to help medical personnel and first responders see every detail of an object. The included 10900 Li-ion battery with built-in charging port allows for flexibility to charge on-the-go. Textured knurling insures a secure grip. The one-touch tail switch makes operation simple and intuitive.
