About Us

We are a small business that takes big pride in outfitting our nation's men and women with high quality clothing and protective gear to keep them safe and comfortable in the field. Military, Law Enforcement, Private Security, and Civilians alike will all benefit from the functionality and design of our product lines.

❖ Past Performance Available upon request.

Core Competencies

- ✓ **Proven Leadership** – Our Leadership Model is based off the core values instilled in our founder while serving in his Active Duty roles in the USN; this has led to an organization that functions at the highest levels of integrity and efficiency while keeping our customer's values in mind.
- ✓ **Complex Sourcing** – You need it, we procure it. Our wide spectrum of industry resources allows us to procure the brands you have come to trust and depend on in a timely manner at a price you will love; from procurement to delivery and everything in between, we are with you every step of the way.
- ✓ **Product Knowledge** – Based off real-time field experience and extensive product research, our team is fully equipped to help you make the right selections for your apparel and gear. Achieve the highest levels of safety for your personnel while enhancing your ability for mission success with HCC Tactical.
