

DFX2

DFX2 Riot Control Kit

The DFX2 Riot Suit was designed to provide substantial protection from blunt force trauma without sacrificing the fit or comfort. The chest, shoulders, and back hard shell panels have a modular flex design allowing for all shapes and sizes to fit comfortably without sacrificing much needed mobility. The chest portion of the suit offers the unique option of adding an aluminum stab plate for additional protection. The back plate offers a raised portion in the center that protects the spine from blunt force injury. The TG40 thigh/groin protector features a Molle System on both thighs allowing the user to attach a holster, mag pouches, or molle pockets of any kind. The forearm guard offers a much more comfortable elbow portion of the pad, which allows more flexibility. The knee/shin guard has a non-slip surface, which keeps you planted in position.

INCLUDES:

- 1 DFX2: Imperial™ Elite Upper Body Protection System
- 2 FA30: Hard Shell Forearm/Elbow Protectors
- 3 TG40: Thigh/Groin Protector with Molle System
- 4 DSG100: Hard Shell Knee/Shin Guards w/ Non-slip knee caps
