

FR FLAME RESISTANT

ELEMENTS™ LIGHTWEIGHT JACKET

2021 FEATURED PRODUCT

When you asked for a lighter version of our flame-resistant Elements™ Jacket, we listened. Our Elements Lightweight Jacket, made with Massif® Battlesfield fabric featuring Gore® FR stretch technology, gives you the same leading-edge protection our Elements softshells provide. Taking the best features of outdoor technical apparel and making them flame-resistant is what we based our softshell line on twenty years ago - giving you the best options for the mission.

OVERALL JACKET FEATURES:

- Flame resistant
- Lightweight
- Windproof breathable membrane
- Highly water resistant
- Four-way stretch
- Pit zips for extra breathability
