

FR FLAME RESISTANT

FLAMESTRETCH® BEANIE

MAKE EVERY LAYER COUNT

The Massif® Flamestretch® beanie is form-fitting for excellent functionality with a helmet. It functions equally well as a stand-alone and offers maximum coverage when the temperatures drop. Made with Flamestretch fabric, the beanie is soft, comfortable and provides improved moisture management. When operating in cold conditions, the Flamestretch Beanie is the ideal choice.

FEATURES:

- Flame-resistant construction with proprietary 4-way stretch Massif® fabric
- Excellent moisture management
- Flat seam construction for under helmet comfort
- High warmth-to-weight ratio
- Highly breathable
- Ultra-soft interior
