LEGEND			⚠ WARNINGS
Filter Body Style			<ul style="list-style-type: none"> ■ These filter recommendations are for guidance only. It is assumed that some filters are used only once and then replaced. ■ Respirator filters must be selected by a competent person following a suitable and sufficient risk assessment. ■ Filters must be used in accordance with appropriate guidelines, regulations or doctrine applied in line with the legislation of the country of application, inappropriate use could result in injury or death. ■ Filters must be stored in accordance with Avon's user instructions. ■ The incident commander must establish a filter change schedule based on a suitable and sufficient risk assessment. Failure to do so may result in filter breakthrough and consequent injury or death. Contact Avon for assistance. ■ Do not use filtering respirators in oxygen deficient atmospheres (<19.5%) or in poorly ventilated spaces. ■ Avon conformal filters for use on specific Avon masks only. Filters may not seal with other products leading to serious injury or death.
