

TEN-SPEED® DOUBLE PISTOL

The Ten-Speed® Double Pistol Mag Pouch is a multi-use magazine pouch that is the perfect blend of speed and security. Made of military grade elastic, the Double Pistol Mag Pouch holds almost any single or double stack pistol mags or similar sized items such as 6P sized flashlights, multitools, etc. When empty, the pouch lies flat for less bulk. The Helium Whisper® attachment system is 26% lighter than the previous BFG legacy version, making it the lightest magazine pouch on the market.
