

# G29M MOUNT

## BREAKAWAY NIGHT VISION GOGGLE MOUNT

### PRODUCT OVERVIEW

The G29M breakaway mount has become a night vision goggle industry standard. The Wilcox G29M breakaway mount is the ultimate solution when your mission requires fast roping, maritime operations or quick entry or exit of mobility platforms. These conditions often pose snag hazards for NVG users. Pioneering the “break away” feature, this mount has built safety into its design by disconnecting from the base under stress which reduces the potential for neck injury.

### NVG COMPATIBILITY

-LUCIE

*\*Other NVG/THERMAL devices are compatible but require additional accessories. Please call customer service for more information.*

### FEATURES & BENEFITS

- Designed specifically for the LUCIE NVG
- Flip mechanism allows NVG to be stowed while not in use
- Breakaway lever allows mount to break away under stress
- Dovetail shoe interface securely locks NVG's into place
- Several points of adjustment for proper eye relief
- 5 Year Standard Limited Warranty
