

PRX-320

WATER-PROOF PROXIMITY/KEYPAD ACCESS CONTROL

Applications

EMX's new stand alone keypad access control is appropriate for use on gates or doors where there is need for resistance to climactic conditions.

Benefits include:

- Stand-alone unit is appropriate for use on gates or doors where there is need for resistance to climactic conditions.
- Powered by 12V DC supply
- Can be used on solar installations
- Has the option of using a built-in contact for doorbell enunciators.
- Use it as a keypad for some users and as a proximity card reader for others.
