

Return Form

TUFSKINZ will gladly accept a return for product that is directly purchased through TUFSKINZ or an Authorized Vendor in new and unused condition within 60 days from the original order date for a refund. Products returned after 60 days of the original order date will be subject to inspection by an internal team before determining if the return is eligible for a refund.

To be eligible for a full refund or credit, the new and unused products must still have the adhesive liner in its original state and free of dirt. If the product has the adhesive liner removed or has been installed prior to the return, no refund will be applied for those pieces. An increased restocking fee will be applied for partial kits returned. If you need help with the fitment of a product or have any questions before returning, email sales@tufskinz.com and we will respond within 2 business days.
