

INCREDIBLE WHEY™

FOR AN INCREDIBLE YOU

INCREDIBLE WHEY KEY POINTERS

1. Incredible Whey is a blend of Whey Protein Concentrate and Whey Protein Isolate with added benefits of essential vitamins, minerals and digestive enzyme.
2. It is crafted to enhance the recovery after exhaustive workouts for both strength and endurance athletes.
3. It has added protease enzyme which helps improve protein digestion and avoids indigestion issues.
4. Presence of special ingredients like taurine, inositol and alpha-lipoic acid along with an impressive amino acid profile, contributes in improving athletic performance, muscle contraction and physical endurance.
5. The presence of essential vitamins and minerals helps in maintaining electrolyte balance and boosts overall immunity.
6. The presence of BCAAs, particularly leucine is the key amino acid which accelerates protein synthesis. Therefore, it helps improve muscle growth and muscle recovery.
7. Power antioxidant -glutathione helps reduce oxidative stress and presence of minerals like calcium, phosphorus, magnesium, sodium and potassium helps in restoring electrolytic balance, regulates blood pressure, strengthens bones, joints and prevents muscle cramps.
