### POWER MASSIVE KEY POINTERS

1. Mass Gainer with an amazing blend of simple and complex carbohydrates, along with slow and fast-releasing proteins.
2. Effective and safe way to gain mass and build muscle.
3. Each 125 g serving of Mango and Strawberry provides 468.7 calories, 95 g multi-source carbs and 19.38 g of high-quality protein.
4. Enriched with 12 vitamins and 14 minerals to restock lost nutrient stores and prevent nutritional deficiencies.
5. **POWER MASSIVE™** provide additional benefits of two special ingredients - Taurine and Choline.
6. Taurine present in **POWER MASSIVE™** helps combat oxidative stress, inflammation and muscle soreness.
7. **POWER MASSIVE™** contains Choline, which assists in effective muscle contractions, decreasing fatigue elevating energy levels, improving alertness and boosting energy levels.
8. **POWER MASSIVE™** Mango flavour is enriched with curcumin powder, which not only imparts a natural colour to the powder but is also a potent immunity booster, powerful antioxidant and anti-inflammatory agent. Curcumin powder provides relief from exercise-induced inflammation and combats free radicals and muscle soreness.
