

Dear parent,

Within the next few months your child will be joining us onboard our floating classroom where we strive to instill a sense of wonder, appreciation and responsibility in your student for Puget Sound. One of our favorite parts of this trip is to see the students' faces the first time they see plankton under a microscope, or touch sea life that just moments before was in the water below. We want to share this awe-inspiring experience with you and our future students by posting photos on our website and social media. If you consent, please sign the photo release below and return it to your teacher who will turn it in on the day of their field trip. Thank you.

### ***Permission to Use Photograph***

**Subject: Marine Science Afloat Trip on (trip date) \_\_\_\_\_**

I grant to Pacific Marine Research its representatives and employees the right to take photographs of me/my child and my property in connection with the above-identified subject. I authorize Pacific Marine Research its assigns and transferees to copyright, use and publish the same in print and/or electronically. I agree that Pacific Marine Research will use such photographs of me/my child without a name and for any lawful purpose, including for example such purposes as publicity, illustration, advertising, and web content. I have read and understand the above.

Student name \_\_\_\_\_ School \_\_\_\_\_

\_\_\_\_ No, please do not add me to your mailing list at this time

Marine Science Afloat is a non-profit organization that is working hard to provide educational trips to all students, no matter their ability to pay. As a 501 (c)(3) non-profit, we rely on donations to both provide scholarships to schools and students and to keep tuition low for all students. Visit our website at [www.marinescienceafloat.org](http://www.marinescienceafloat.org) and consider making a donation today. Thank you for supporting this amazing opportunity for Northwest youth.
