

# Want Rasa at Your Local Grocer?

You can help make it happen 🌱 just fill out this form and bring it to the store.

Dear \_\_\_\_\_ team,

I'd really love it if you'd carry Rasa's adaptogen & mushroom boosted coffee and coffee alternatives in your lovely store.

I love Rasa because it's healthy, delicious, organic...and it's woman-owned! You might even get more customers like me in your store when Rasa tells everyone you're carrying them—and I'll tell my friends, too!

Thank you,
