HOW TO USE:

- 1 Everlasting Comfort Humidifiers: It is recommended to add 7-10 drops of Everlasting Comfort Essential Oil to the essential oil tray.

6L Humidifier

4L Humidifier

- 2 Everlasting Comfort Essential Oil Diffuser: it is recommended to add 2-3 drops of Everlasting Comfort Essential Oil for every 100ml of water.

- 3 Ideal for skin care, baths, and other topical applications. Refer to the Safety Instructions before use.

SAFETY INSTRUCTIONS:

- 1 Essential oils should never be applied directly to the skin and should always be combined with a carrier agent (i.e. coconut oil, jojoba oil, lotion, etc.).
- 2 We recommend consulting your doctor or medical practitioner before using essential oils.
- 3 Keep out of reach of children and pets. Avoid contact with eyes. If pregnant or lactating, consult your healthcare practitioner before using. For external use only.
