8 Exposure controls and personal protection:

No special personal protective equipment required.

Use gloves to protect skin.

Use safety glasses to protect eyes.

Work in a well ventilated area.

9 Physical data and chemical properties:

Form:	Powder
Odour:	Natural
Colour:	Pink
pH:	n/a
Flash point:	n/a- Soluble in water

10 Stability and Reactivity:

Conditions to avoid:	None
Materials to avoid:	None

11 Toxicological information: Non toxic product

12 Ecological information: No information available at this time.

13 Disposal considerations:

Residue for disposal:	according to local regulations.
Waste packing:	observe local regulations.

14 Transport information: Not dangerous product
Classification: not classified in RID/ADR/IMDG

15 - Regulatory information: In compliance with the requirements in the current Cosmetic Directives 67/548 EEC 1999/45/CE

16 - Other information:

To the best of our knowledge, the information contained in this sheet is correct. However, we cannot accept responsibility or liability for any consequences arising from its use.
