## Hardwood Floor Care Tips

---

### Floor Cleaning

Sweep, dust mop, or vacuum regularly using the wand attachment on your vacuum cleaner.

Clean your hardwood floor occasionally using a mop and Armstrong Hardwood & Laminate Floor Cleaner or Bruce Hardwood & Laminate Floor Cleaner.

To revive an older floor, apply one or more coats of Armstrong Restore Hardwood Floor Finish or Bruce Fresh Finish™, or Bruce Fresh Finish™ Low Gloss.

### Floor Protection

Wipe up spills immediately.

Place a natural or colorfast mat at outside entrances to reduce the amount of dirt and moisture tracked into your home.

Keep animal nails trimmed to prevent scratches.

Use Armstrong Floor Protectors on furniture legs to reduce indentations.

Protect your floor from direct sunlight.

**DON'T** wear shoes with spike heels or heel taps on your hardwood floor. Remove shoes at the door to avoid potentially dragging in sharp objects in your shoe treads.

**DON'T** use: ammonia-based cleaners, wax-based products, detergents, bleach, polishes, oil soaps, abrasive cleaning soaps, or acidic materials like vinegar.
