

Bona R850T Adhesive & Applicators

Bona R850T is a one-component, moisture curing, water and solvent free, silane-based adhesive for wood floors. Bona R850T provides outstanding adhesion to a variety of surfaces, and allows for the natural movement of wood flooring.

New battery powered application gun allows for easier and quicker installation. A single charge will last over 3,000 linear feet.

- ✓ Ideal product and application method for wide plank glue assist installations
- ✓ Perfect alternative to face nailing close-out rows, board replacements and trim applications
- ✓ Excellent initial “green grab” means the flooring and molding stay in place
- ✓ Rapid shear strength development – Flooring is ready for furniture and foot traffic in one day
- ✓ Easy to clean – Will not harm finish on prefinished floors; will not stain hands
- ✓ Easy to apply – Clean, no waste, ergonomic design
- ✓ No VOCs – Meets the criteria for LEED EQc 4.1 (v. 2.1, 2.2, 3.0)
- ✓ GREENGUARD Certified
