

INTRODUCING THE SHATTERIZER

- 1.** Compatible with, shatter, wax, crumble, resin, rosin, budder, bubble hash, distillate, and most other concentrates. Please do not use with e-juices or oils of e-juice viscosity.
- 2.** Glass (Borosilicate) top cover and resin mouthpiece uniquely designed to maximize flavour and reduce vapor temperature for a smoother vaping experience.
- 3.** Comes standard with 2 Quartz Dual Coils (QDC) for great tasting big milky clouds (replacement coils available in 5 packs).
- 4.** CTECH Ceramic Coils are designed to get the most flavour out of your product and still gives off nice big milky clouds. (replacement coils available in 5 packs).
- 5.** Each Shatterizer comes with a coil cap which is designed to help airflow and prevent oil from sputtering out of the coil. Between the coil cap and the uniquely designed mouthpiece you will never have to worry about any mess.
- 6.** Long-lasting 1100mAh lithium battery.
- 7.** Adjustable 3 Stage Variable Voltage battery: Red Light (3.5V) / Blue Light (3.8V) / White Light (4.2V)
- 8.** 15 Second continuous heat, with automatic shutoff.
- 9.** Magnetic built-in silicone lined wax storage container at bottom of the Shatterizer.
- 10.** Micro-USB port with Pass-Thru technology, a USB charging cord, and a dab tool, comes standard with every Shatterizer.

SHATTERIZER COMPONENTS

Magnetic connection

The Shatterizer comes with a built-in silicone lined wax storage container at the bottom of the pen. This uniquely designed feature makes taking your product with you much easier. The built-in silicone jar has been carefully designed to be attached magnetically for easy removal and re-attachment.

Glass Cover and Resin Mouthpiece

The glass top cover and mouthpiece have been uniquely designed to maximize flavour and reduce vapor temperature for a smoother vaping experience.

SHATTERIZER COMPONENTS

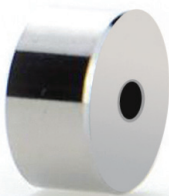

(QDC) Quartz Dual Coils

The Shatterizer comes standard with 2 QDC coils for great tasting big milky clouds. Replacement coils sold in 5 packs.

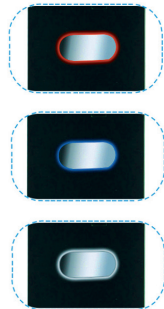

(CTECH) Ceramic Coils

Shatterizer CTECH ceramic coils are designed to get the most flavour out of your product. CTECH coils are sold in 5 packs.

Coil Cap

Each Shatterizer comes with a coil cap which is designed to help airflow and prevent oil from sputtering out of the coil. Between the coil cap and the uniquely designed mouthpiece you will never have to worry about any mess.

Long-Lasting Variable Voltage 3 Stage Battery

Simply click the power button 3 times rapidly to easily switch voltage. The Red Light indicates 3.5V, Blue Light indicates 3.8V, and White Light indicates 4.2V. This design feature allows you to customize the heat setting to your personal preference for maximum enjoyment.

- Long-lasting 1100mAh Lithium battery
- Adjustable 3 Stage Variable Voltage battery
- Red Light (3.5V) / Blue Light (3.8V) / White Light (4.2V)
- 15 Second continuous heat, with auto shutoff

Micro-USB Port & USB Charging Cord

The Shatterizer has a Micro-USB port with Pass-Thru technology, and comes standard with 1 USB charging cord.

Dab tool

The Shatterizer comes standard with one dab tool to help load your product.

PACKAGE CONTENTS
