

Material Safety Data Sheet

1. Identification of the substance and of the company

Product details:

Product name: REVIVE7 accelerating mascara

Application of the substance: For promoting the growth of eyelashes

Supplier/Manufacturer:

CONFIDENTIAL

2. Hazards identification

Emergency overview:

This is a personal care or cosmetic product that is safe for consumers and other users under intended and reasonably foreseeable use. Additional information on toxicological endpoints is available from the supplier upon request.

Acute Potential Health Effects:

Inhalation: Not expected to be irritating to the respiratory system. Limited inhalation exposure anticipated for this product form.

Eye Contact: May cause irritation if product comes into contact with the eye.

Skin Contact: Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to mild and transient.

Ingestion: Product used as not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

Carcinogenic effects: Not available.

Mutagenic effects: Not available.

Teratogenic effects: Not available

Developmental Toxicity: Not available

3. Composition on ingredients

Description: Mixture of substances listed below

Ingredients	Percent (%)
Purified Water	60.00
Hyaluronic Acid	6.00
Collagen	0.08
Cucurbita Pepo Pumpkin Seed Extract	9.00
Sphingolipid	6.50
Myristoyl Pentapeptide-17	6.42
Arginine	2.00
Propylene Glycol	3.00
Beewax	2.50
Palm tree wax	2.50
Vitamine E	2.00
Total	100.00

4. **First aid measures**

Inhalation: If respiratory irritation occurs, remove individual to fresh air.

Eye contact: Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, consult a physician. If the eye is accidentally scratched with a mascara brush, consult a physician immediately.

Skin contact: Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, consult a physician.

Ingestion: Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting.

5. **Fire-fighting measures**

General Information:

As in any fire, wear a self-contained breathing apparatus in pressure-demand, MSHA/NIOSH (approved or equivalent), and full protective gear.

Suitable Extinguishing Agents:

Small fire: Use DRY chemical powder.

Large fire: Use water spray, fog or foam. Do not use water jet.

Products of Combustion: Carbon oxides, low molecular

Special Fire Fighting Procedures:

Firefighters should wear self-contained breathing apparatus and full fire-fighting turn-out gear (bunker gear). Keep personnel removed and upwind of fire. Water should be used to keep fire-exposed containers cool.

Special Remarks on Fire and Explosion Hazards:

Thermal decomposition can lead to release of irritating gases and vapors.

6. Accidental release measures

General: Use proper personal protective equipment as indicated in Section 8.

Environmental precautions: Not applicable.

Measures for Cleaning/Collection: Use safety glasses or safety goggles if splash hazards exist, use gloves and other protective clothing (apron, boots, etc.) to prevent skin contact.

7. Handling and storage

Precautions: Use proper personal protective equipment as indicated in Section 8.

Handling: Avoid spillage which can cause very slippery conditions on floors. Follow standard personal hygiene and housekeeping practices for an industrial environment.

Storage: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

8. Exposure controls/personal protection

Engineering Controls: This is a personal care or cosmetic product that is safe for consumers and

other users under normal and reasonably foreseen use.

Exposure Limits: Not Available.

Respiratory Protection: Not required for properly ventilated areas. If there is potential for inhalation of dust or vapor, wear a NIOSH approved respirator.

Ventilation Protection: Local ventilation.

Protective Clothing: Lab coat.

Protective Gloves: Not normally required. Use protective gloves as needed for necessary.

Eye Protection: Not normally required under normal conditions.

Personal Protection in Case of a Large Spill:

Splash goggles. Full suit. Respirator. Boots. Gloves. A self contained breathing apparatus should be used to avoid inhalation of the product. Suggested protective clothing might not be sufficient, consult a specialist before handling this product.

Ventilation:

Local exhaust: MSHA/NIOSH approved respirator. Appropriate respirator depends upon type and magnitude of exposure.

9. Physical and chemical properties

General Information

Form: Mascara

Color: Black

Odor: Odorless

Change in condition

Melting point/Melting range: Not available

Boiling point/Boiling range: Not available

Flash point: Not available

Self-igniting: Not applicable

Danger of explosion: Not determined

Density: 1.38g/cm³

Relative density: N/A (Water=1)

Vapor density: Not available

Vapor pressure: Not available

Evaporation rate: Not available

Solubility in/Miscibility with water or others: Soluble in water

PH-value: 6.0

Viscosity: $2.308 \times 10^{-3} \mu / \text{Pa} \cdot \text{s}$

10. Stability and reactivity

Stability: Stable under normal temperatures and pressures.

Polymerization: Will not occur.

Dangerous decomposition products: Not available.

Incompatibility: Strong oxidizing agents.

Conditions to avoid: Incompatible materials, excess heat.

Special remarks on reactivity: Not available.

11. Toxicological information

Please refer to section 3 for hazards identification.

Routes of entry: Eye contact.

Toxicity to animals: Not available.

Chronic effects on humans: Not available.

Other toxic effects on humans: Not available.

Special remarks on chronic effects on humans: Not available.

Special remarks on other toxic effects on humans: Not available.

12. Ecological information

Ecotoxicity effects: Not available.

BOD5 and COD: Not available.

Bioaccumulation: Not specific information available.

Products of biodegradation: Possibly hazardous short term degradation products are not likely. However, long term degradation products may arise.

Toxicity of the products of biodegradation: The product itself and its products of degradation are not toxic.

13. Disposal consideration

General Information:

Chemical waste generators must determine whether a discarded chemical is classified as a hazardous waste. US EPA guidelines for the classification determination are listed in 40 CFR Parts 261.3. Additionally, waste generators must consult state and local hazardous waste regulations to

ensure complete and accurate classification.

Waste Disposal Methods:

Dispose according to Federal, State, Provincial and Local regulations.

14. Transport information

UN-Number

ADR: Not regulated

IMDG: Not regulated

IATA: Not regulated

UN proper shipping name

ADR: Not dangerous goods for transport.

IMDG: Not dangerous goods for transport.

IATA: Not dangerous goods for transport.

Transport hazard class

ADR: Not regulated

IMDG: Not regulated

IATA: Not regulated

Packing group

ADR: Not applicable

IMDG: Not applicable

IATA: Not applicable

15. Regulatory information

European/International Regulations

This product is on the European Inventory of Existing Commercial Chemical Substances.

European Labeling in accordance with EC directives

Hazard Symbols: N/A

Risk phrases: N/A

Safety phrases: N/A

HMIS (U.S.A)

Health hazard: 1

Fire hazard: 0

Reactivity: 0

National Fire Protection Association (U.S.A)

MSDS No: IDO190808MSDS

Issue Date: Aug. 18th, 2019

Page: 7 of 7

Health: 1

Flammability: 0

Reactivity: 0

Federal and State Regulations:

Not listed.

Canada- WHMIS:

Not controlled under WHMIS (Canada).

For details regulations you should contact the appropriate agency in your country.

16. Other information

The information above is believed to be accurate and represents the best information currently available to us. However, we make no warranty of merchantability or any other warranty, express or implied, with respect to such information and we assume no liability resulting from its use. This shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship.
