

# Classic

     	
Pump pressure	15 bar
Dosing system	Y
Rapid steam	Y
3 Filters equipment	1 cup/pod/2 cups
Cappuccino accessory	Steel pannarello
Group and filter holder	Chromed brass
Three way solenoid valve	Y

The Classic is exactly that: a Classic. The solid brushed stainless steel housing is both **durable and decorative**, adding class to any home. It's fitted with a three-way solenoid valve for long lasting durability and performance. The turbo frother creates a great froth every time.

The Classic boasts a unique commercial chrome-plated brass portafilter and brew group, and three way solenoid valve.
