EPIC Water Filters
1630 30th Street, #A394
Boulder, CO 80301

Hello Epic,

Thank you for your generous contribution of \$594.00 to Global Access 2030 through the sale of the collaborative art bottle. Not only is it a top-of-class filter wrapped in cool art from local artist Atomic Child, it also keeps our volunteers safe while traveling in developing countries.

Clean water changes everything. Your partnership and support improve all aspects of life in remote communities. Kids miss fewer days of school, adults provide for their families, fewer resources are consumed, and communities thrive. 100% of your donation is used to promote safe and sustainable drinking water solutions.

Thank you for contributing in such a tangible and positive way in the midst of the other global challenges we are facing.

With Gratitude,
